## Subject: Licensed Flooring Practitioner Advisory Group

FloorNZ is seeking nominations for the Licensed Flooring Practitioner Advisory Group. While a lot of development work has gone into the design of the Licensed Flooring Practitioner (LFP) Programme it still needs to be 'reality checked' to ensure it will work for the sector.

FloorNZ is looking for people willing to give some time to the LFP Advisory Group to assist with this process. The Advisory Group will be made up from both the installer and retail sector and we are looking at selecting a maximum of 8 people who can represent in total the following characteristics.

Installer – we need people who can represent:

- Large company
- Small company or self-employed
- Recently qualified
- Very experienced but with no qualification
- Regional business
- Based in a large city.

Retailer – we need people who can represent:

- Part of a group
- Independent
- Regional business
- Based in a large city
- Uses waged installers
- Uses contract installers.

If you are interested in being part of this project, please complete the attached form and send to [kari@floornz.org.nz](mailto:kari@floornz.org.nz) by **30 March 2018**. If you wish to know more about the project you can email me on [kari@floornz.org.nz](mailto:kari@floornz.org.nz) or ring me on 021 810320.

We will be evaluating the responses and selecting the Advisory Group in April and setting the first Advisory Group meeting for May. Travel to the Advisory Group meeting will be arranged by FloorNZ and any additional travel costs reimbursed. Advisory Group members are expected to contribute their time at no cost.

Thank you for considering being part of this process.
