

# FLOORNZ NEWSLETTER

APRIL 2021

Dear FloorNZ Members

This is our April 2021 newsletter keeping you up to date with ongoing developments as March and April have been busy months for FloorNZ.

## ROVE UPDATE

We have completed and presented our transition plan to the BCITO on the transition process for the ATI to take over both on and off-job training for the Flooring industry. We now await the results. The BCITO are having a summit on 30<sup>th</sup> April to discuss this process so I will report on the updates in our next newsletter.

## TRAINING RESOURCES

Our Resource Development Manager is currently working with the BCITO to develop resources for the new flooring qualifications. It is envisaged that FloorNZ will have access to these resources once the transition process has been completed.

## AGM

The FloorNZ AGM will be held on 9 June by zoom from 4-5 pm. If you are interested in taking part, please let us know so that we can add you to the invite list. The financial statements are currently with the auditors and will be made available prior to the AGM for those wishing to take part.

## ALLIED TRADES INSTITUTE (ATI)

The ATI has a very full training calendar this year due to the number of extra apprentices that have been signed up as a result of the Government subsidy. There has also been a greater demand for Floor, Planning and Design courses which we are attempting to accommodate in an already tight calendar. We have also completed our first upskill training course which was well received and intend to offer more of this type of contextualized training over 2021 and 2022. If you would like further information about this initiative, please let me know. If you have any information, you would like us to share on any comments or questions on any of the content in this newsletter, please contact me on [kari@floornz.org.nz](mailto:kari@floornz.org.nz)

Regards

Kari Pearcey

CEO FloorNZ & ATI
