Control & Influence

A national Project Management firm states they have no control and influence on a construction project yet want to be fully involved in vetting the health & safety. How does this work? [read blog post](#)

n3 Health & Safety

We are a supplier to the buying group n3 with both our ACC and Health & Safety services. This is a wee blog shared with their membership... [read blog post](#)

Sue & Marty at a cafe

There are over \$9m of unclaimed credits sitting with ACC. Money that belongs to employers... [read blog post](#)

Speaking Engagements

We do a lot of presenting at conferences, regional and national workshops, webinars, etc. It is something we thoroughly enjoy especially with the feedback we get. Words like 'entertaining', 'informative', 'fun' are all too common... and this is on ACC and Worksafe. Imagine if we really had an entertaining topic?!! If you feel like we can add value to your industry association at national conference please let us know.
