

Online Compliance Toolkit Launch

It is with great pleasure that we share the launch of our Online Compliance Toolkit - the only of its kind in NZ!

It's something we have been working on for a little while and the results we are getting with it are even exceeding our expectations. Business owners loving the fact they can get ACC and OSH information, templates, guidance, and support in a One-Stop-Compliance-Shop.

What's so special about our solution?

- If you **employ staff** - this is for you
- We provide all the processes, templates, resources to manage your **sprains, strains and other claims**
- Manage your **med certs**, reduce your days lost to injury
- Direct booking access to our **national physio network**
- Direct **support in challenging claims** that you disagree with
- **Full H&S System** – policies, templates, SOP's, support
- Access to training including **First Aid - we've secured you a 10% discount**
- **Introductory offer** during June and July...
