ACC v Worksafe

ACC wants to introduce a Fatalilty Modifier - a death penalty if you like. This will mean you pay more ACC levies for a two year period. Should ACC play a regulator role in the health & safety space or leave this to Worksafe... [read blog post](#)

Challenging Claims - free Webinar

In this, the second of the series, we share with you our learnings from challenging claims. We cover a range of issues from obesity; reaggravations; repetitive strains; fictitious claims; and more. This webinar is on 5 October at 8:30am. Use our code 'MANAGE GROUP' to get free access [register](#)

Catching Covid at Work

Currently ACC is treating Covid caught at work as a potential workplace injury under Sec 30 of the Act. We did an Official Information Act request last year with lockdown and at that stage there were 8 Covid claims attributed to employers... resulting in penalties on their ACC levies... Employers & Vaccinations

What are our rights as employers when it comes to vaccinations? What about the Privacy Law? Human Rights? Employment law? Health & Safety legislation? Help! [read blog post](#)

ACC Changes...

ACC are proposing a raft of changes that will impact employers and not all good. Your Experience Rating penalties will go up; introducing a death penalty; and much more... [read blog post](#)
