

Hello All

We have been fielding a lot of queries about whether you can mandate vaccinations. We have done a lot of research and there isn't a whole lot of information or tangible solutions available on what employers can actually do. There are a few legal firms providing guidance but none that are prepared to actually give you a practical solution.

So, we thought we'd create our own.

The link below is to our blog which gives you context. The link to the Covid Health & Safety Risk Assessment is in the blog - you can't miss it.

ACC Self Insurance - free Webinar

The 3rd of the series, we cover the ACC self-insurance space and whether it is good for your business. Our own Marty interviews Craig Furness, the CEO of Gallagher Bassett which is the largest Third Party Administrator in NZ. They manage a lot of employer claims instead of ACC. This webinar is on 2 November at 8:30am. Use our code 'MANAGE GROUP' to get free access [register](#)
