

Returning to work at COVID 19 Level 3 – Latest updates

Thursday 23rd April 1.30-2.00

We are running a second free 30 minute webinar to provide the latest updates to owners and managers of small and medium businesses in the construction sector. There is no pre-registration required, we have spaces for 500 attendees so please join the webinar a few minutes before 11.00 to allow time to sign in and to ensure you don't miss out.

Webinar content will explain the COVID-19 health and safety guidelines, provide up to the minute updates on government requirements and answer preselected and live questions from the audience.

The webinar will be presented by Chris Alderson, Chief Executive of Construction Health and Safety New Zealand (CHASNZ). Chris is one of New Zealand's leading senior executives in health and safety and business transformation, with experience across some of New Zealand's leading organisations. Joining Chris to answer questions will be Colin Smith, owner of Electrical Works Ltd and board member of Master Electricians; and Graham Burke, president of NZ Specialist Trade Contractors Federation.

Please email any questions you would like answered at the webinar to graham@grahamburke.co.nz
