

INTRODUCTION TO FLOORING INSTALLATION

A LEVEL 3 PRE APPRENTICESHIP COURSE THAT PROVIDES UPFRONT INFORMATION AND EXPERIENCE IN THE INSTALLATION OF FLOOR COVERINGS

FREE FEES

WHO THE COURSE SUITS

Employers looking to train an apprentice

People looking to change careers

School leavers looking for both a stable and rewarding career in the flooring industry

People that have an artistic flair and like working with their hands

COURSE OUTLINE

The course has two parts:

1. Training online with Allied Trades Institute (PTE)
2. Workplace experience with flooring installers

Duration 8-12 weeks

Flooring course content

- Health and safety
- Tools and equipment
- Professional standards
- Floor covering knowledge
- Installation methods

COURSE OBJECTIVES

For the student the course will provide knowledge and work experience that provides the opportunity for a flooring installation apprenticeship

For the employer the course will save time and money by having a potential apprentice work ready

SOUND LIKE YOU OR SOMEONE YOU KNOW? If you have access to online learning, are a flooring business willing to provide onsite installation work experience or are a committed and willing student...
